Dear Oliver,

Kate and I are getting married soon after we return to the UK - on June 20th. We would like to invite you to the wedding. It will be at my parents' house in Hereford, probably at 2.30pm, and there will be a party afterwards, starting at about 8pm. You are welcome to stay the night as there is plenty of room, though it would help if you could let me know in advance.

Hope to see you then,

Best wishes,

Giorgio
